The Seal of The American Kennel Club affixed hereto certifies that this pedigree was compiled from official Stud Book records on August 31, 2020.

Thank you for ordering a Certified Pedigree from the American Kennel Club®. A pedigree contains a great deal of information, and abbreviations are an unfortunate necessity. On this sheet you will find the meanings of or links to web pages for the abbreviations used for titles; countries (if a dog was from outside the US); colors and markings; OFA certifications, and genetic clearance information. Should you have further questions, please call the AKC® Customer Service office at 919-233-9767.

Abbreviations – Used for Titles

For a complete list of titles visit [www.akc.org/events/titles/](http://www.akc.org/events/titles/). Some titles are appended to the beginning of a dog's name, and others are appended after the dog's name. Note that titles earned in a foreign country, or under non-AKC rules and regulations, are not shown on the pedigree.

Appearing Before a Dog's Name (Prefix)

AFC	Amateur Field Champion
CCH	Bench Show Champion

Month and year the dog's first breeding was recorded in the AKC Stud Book Register

AKC DNA #V299999

OFA Certification

Hips Excellent, Elbow

Color

Wildboar

Country

New Zealand

DNA Profile Number

Abbreviations – OFA Certifications

**OFA** [age in months when certified] (grade) = Hips Certification (Grade is either "E," "G," or "F" for "excellent," "good," or "fair" respectively.) Note that the grade may be absent if the dog passed but the grade is unavailable or unpublished.

**OFEL** [age in months when certified] = Elbow Certification

**EYE** [age in months when certified] = Eye Certification. Note that this certification is only good for one calendar year.

For more information contact: Orthopedic Foundation for Animals (OFA) – [www.ofa.org](http://www.ofa.org).  
NOTE: Certification(s) may not appear in the 3rd and 4th generations due to space limitations.

Abbreviations – Genetic Clearance Information

**DNA** ((disease)/(form of disease)) Example: DNA (PRA/RCD1) = absence of rod-cone dysplasia (RCD1), the form of Progressive Retinal Atrophy (PRA) affecting Irish Setters.

Abbreviations – Colors and Markings

For a complete list of colors and markings go to [www.akc.org/colors](http://www.akc.org/colors).

Abbreviations – Foreign Countries

Listed in parentheses, this indicates a foreign dog's country of origin. Note that foreign or other non-AKC domestic registry numbers are shown for a dog only if those numbers are on file with the AKC. To see a complete list of abbreviations for countries go to [www.akc.org/countries](http://www.akc.org/countries).
